# Storage Containers & Trailers

## RENTAL & SALES

Convenient, ground level loading - Fully opening double doors - Weather resistant.  
Size to fit your needs: 5', 10', 20', 45', 48' or we can modify a unit to any other size.

Custom modifications - Zoresco can provide units with roll-up doors and/or any other type of door configuration to accommodate your needs.

Many uses for storage containers:

- Warehouse
- Gas and electric utility
- Security
- Tires/Auto parts
- Construction site storage
- Landscaping materials
- Municipal and school
- Parks and recreation
- School/Youth club athletic equipment
- Mining equipment
- Drilling equipment

## RENTAL & SALES

Size to fit your needs: 28', 40', 45', 48'

When you don't need ground level storage or when you need dock level loading, storage trailers are the solution.
