

# ALUMINUM HARD HAT DUMP BODY

Exclusive to Zoresco Equipment Company, the Rugby Z-Spec dump body is already recognized as one of the best dump bodies on the road today. The aluminum version combines all the features of steel, including EZ-Latch tailgate hardware, 3/4 cab shield and recessed lights in the rear posts, with a lightweight and sturdy aluminum body

## Value and Benefits

- All aluminum body, weighing 800 pounds less than a steel body, providing fuel savings and increased payload capabilities.
- Aluminum body shows commitment to company image and projects confidence in employees and customers
- Easy, one-person operation of aluminum tailgate; 132 pounds lighter than a steel tailgate

# ALUMINUM HARD HAT DUMP BODY
