

# Z-SPEC DUMP BODY

The **"Z-SPEC DUMP BODY"** designed to be multi functional from the integrated front  $\frac{3}{4}$  cab shield to the rear patented EZ-LATCH system. This body with its sleek styling will give you many features not found on conventional dump bodies such as the standard 22" rear board pockets that make hauling the heavy loads or the bulky loads a breeze.

**"Designed to be the Best, Envied by the Rest."** The **"Z-Spec Dump Body"** built with existing *Rugby*<sup>®</sup> technology, integrated with Zoresco Equipment Company specifications, and coupled with a *Rugby*<sup>®</sup> Hoist give you a combination that's hard to beat.

*Shown with optional Aluminum tailgate; Steel tailgate standard.*
